Phone System Navigation

When you call our offices and hear the automated attendant, this means that it is after hours, or someone is not available to take your call.

The most important thing to remember is that you can enter one of the extensions on the front of this card at any time while you listen to the recording.

Reprinted here is a quick breakdown of the options you have from the main menu:

- If you need to speak with the recruitment team pressing 6 will put you through to the On-Call Driver Coordinator.
- If you have an emergency press 7 and you will connect to the designated On-Call Person.
- For the company directory press 8
